“ Our Dearest Carol;
Our prayers are sent out to you and your family. The pain of not being with our loved one anymore is a pain that is unbearable so many people wrap their arms around you and hold you up in prayer. I read last week something I thought was so comforting to me to get me through that day. Someone asked God “why did you take my Loved one”?Gods reply was... ‘I didn’t take her I just moved her! Whatever gives you your comfort and your peace hold onto it tight. Peace Be With you Carol

“ Carol....I was so lucky to run into Dan this summer while I was walking. We talked for 45 minutes and laughed. His birthday was the day after our mothers' and they were the same age & he could remember all of my brothers and sisters in order which really blew me away since there was 8 of us. I'll always remember and love him. He was a great guy and you were such fabulous neighbors. My parents loved you both as did we. I forwarded the paper article out to all my siblings. We share your sorrow. Our love and prayers always.

“ Dan was such a wonderful guy. Always had a smile and just loved being with people. One of my best memories is giving him apple pie, not the kind you eat but the kind you drink. He always got a little bit tipsy and wanted more. We will miss him a lot. Carol, so sorry we are not home with you at this very hard time but know our prayers are with you and everyone he touched. □
